

Lord Street Community Nursery & Pre School Newsletter July 2016

Can I please remind all parents to pay any outstanding activity money they owe before the end of term.

If you have Sponsor Money from the obstacle course please make sure you hand it in to Sam in the office before the end of term too.

So far we have raised £440.50 which is brilliant. A very big thank you to all that have contributed and an even bigger thank you to the children for all of their hard work on the obstacle course!

Nursery re-opens on the 8th September. Our new children may have different start dates so that every one has time to settle and feel comfortable at Nursery.

The Book Library and Toy Library have now finished until the end of the term.

Please bring back any toys or books that your child has taken home with them.

On behalf of everyone here at Lord Street, we would like to wish our leavers all the best in their new adventure at School.

This year has been a journey for us all and so many achievements made. We have watched your children make great progress in their learning and developing of their new and strong friendships that will hopefully carry on through their school years. It's been good to share in lots of moments of joy and laughter.

Although we are always sad to say goodbye, we hope that they continue to thrive and achieve as they grow. We have enjoyed the whole experience, not just with the children but the partnership we have had with you all as families.

We look forward to hearing how their journey continues at school and if you're ever passing through, feel free to pop in and let us know how they're getting on.

Lord Street Community Nursery & Pre School Newsletter July 2016

Already we are at the end of another year!
We have special celebrations next week for the end of term and to say goodbye to our older children who are going to school.

On **Monday**, **Miss Sparkle** will be coming back to the Nursery to wow the children with her special magic tricks!

On **Tuesday**, we are having a party! It is beach themed, but please no open toe shoes. There will be **NO DINNERS** on this day as it is the last day of term.

At the end of the party, there will be a leavers sing-a-long. It's an opportunity for us to say goodbye to the school leavers, and we invite you to come and watch. For morning children, parents can come at 11:10 and for afternoon children parents can come at 3:10.

This is also an extra special goodbye as we will be saying goodbye to Jan Bognar, our senior teacher. Jan has worked here for 36 years and is well known by many of our parents that return to the Nursery. Maxine Payne, our senior midday staff, is also retiring after 26 years- she is also very well known to our parents! Both ladies have been a big part of how our Nursery is run and they will be dearly missed, but we wish them all the very best in their retirement.

If you would like to contribute to Jan and Maxine's leaving present, please see Sam in the office.

Please make sure your child has sun cream on before they come to Nursery.

If they have a sunhat, please make sure they bring it with them and it has their name on.

Have a wonderful summer and keep safe.
